Thank you Rob. I am aware of the history. I have not been able to catch up with John yet. Will keep trying and let you know what the concern is.

Martha,

You had mentioned yesterday that David/John may now have additional comment on the referenced memo. I want to remind everyone that we already had an opportunity to review the current draft and we informed the IO that we (as well as OCE) had no additional edits. After receiving the draft on 11/7, we brought copy down with us to the MAMPD Weekly scheduled for that day and discussed with John and Kate. They agreed that we could inform the IO that we had no further comment/edits.

The delay since that time in having the memo finalized and signed was due to OAR wanting to review one more time. Also, as a reminder, this memo in its current form was largely written by Patrick and already agreed to by the OAR AA.

Hi Cari,

Thanks for sharing this latest version. We in OC have no further edits. We also checked in with Terri Dykes in OCE and she had no additional comment.

Sara and Rob,

Patrick had some suggested edits on this memo. Because it was a joint memo that had already been approved by Bill, Patrick sent his comments to OAR and OGC. Please take a look at these changes and let me know if you are comfortable with them or if you have any further changes. Bill is okay with this new version.

Thanks,
